WELCOME

FROM THE DEAN

Yale Summer Session welcomes students from around the world to take Yale College courses for credit online or to study law, business, or English in one of our online certificate programs.

Our summer courses are unique: they'll meet as virtual seminars and they're small, giving you access to world-renowned faculty, and the opportunity to study with peers from all over the world.

Bring your passion, your curiosity, and your willingness to learn something new this summer. We look forward to seeing you soon!

Jeanne Follansbee
Dean of Yale Summer Session

YALE UNIVERSITY

Yale University is an [Ivy League research university](#) with a wide array of programs, departments, schools, centers, museums, and many affiliated organizations. Founded in 1701, Yale is one of the oldest institutions of higher education in the United States.

Yale's reach is both local and [international](#). Yale engages with people and institutions around the globe in the quest to promote cultural understanding, improve the human condition, delve more deeply into the secrets of the universe, and train the next generation of world leaders.

Yale University is more than an institution of higher learning; it is a [community](#) where people of diverse cultures and nationalities live, work, and play — connected by their similarities and enriched by their differences.

Yale University is located in the city of [New Haven, Connecticut](#). We celebrate our hometown of New Haven for all that it offers, including its renowned restaurants, shops, and cultural attractions.

YALE COURSES FOR CREDIT

You may choose from **over 150 courses** that carry Yale College credit. These courses are offered in over 50 different disciplines including science and math, humanities, social sciences, the arts, and much more.

Yale Summer Session offers **two 5-week summer sessions** (Session A and Session B). Visit summer.yale.edu/dates to view session dates and application deadlines.

In Yale courses for credit, **your classmates** will be a mix of Yale students, visiting American students, and other international students like yourself. You will work alongside **world-renowned faculty** who are experts in their field.

Our unique learning experience is built around video-based discussion sessions: our virtual classroom technology allows you and your classmates to come together live each week to discuss course topics. Combining cutting-edge technology with small class sizes, our courses enable rich conversation and thoughtful feedback, while providing close, personal engagement with faculty.

If you choose to take Yale courses for credit during Yale Summer Session, you must be able to express yourself fluently in spoken and written English. If you are not a native English-speaker or have not had at least two years of education where English is the medium of instruction, Yale Summer Session requires you to submit **English proficiency test scores** in your online application.

CERTIFICATE PROGRAMS FOR INTERNATIONAL STUDENTS

Yale Summer Session offers Certificate Programs for international students who want to **improve their English** and develop skills that will help them in their **academic or professional careers**.

- Intensive English Program
- Postgraduate Seminar
- Business Seminar
- Law Seminar

Upon completion of a certificate program, you will receive a certificate that you successfully completed the program. Our certificate programs do not carry Yale College credit. You are encouraged to speak with **your school's registrar** to determine if credit may be awarded at your institution.

You do not need to submit English proficiency scores to participate in one of these programs.

INTENSIVE ENGLISH PROGRAM

The Intensive English Program is a **5-week program** designed for international college students who want to improve their **academic English language skills** among a dynamic, diverse group of students. This summer, develop the skills, fluency, and confidence you need to communicate effectively in English. You will improve your overall abilities in both **spoken and written English**, as well as your understanding of the cultural diversity in the U.S.

You can expect to improve your English in the following ways:

- Communicate more confidently
- Speak more accurately and fluently
- Improve your written English
- Expand your vocabulary
- Improve your understanding of grammar
- Socialize and network with greater confidence

summer.yale.edu/intensive-english

POSTGRADUATE SEMINAR

The Postgraduate Seminar is a **5-week intensive English program** for international students who are attending or planning to attend graduate school in the U.S., or for mature or professional students who want to study English in a serious academic setting.

The program is designed to **prepare you for the rigors of graduate school** and polish your academic writing and speaking skills. You will improve your overall abilities in both spoken and written English, as well as your understanding of U.S. academic culture.

In the Postgraduate Seminar, you will:

- Improve your vocabulary, pronunciation and critical thinking skills
- Practice and improve your academic writing
- Enhance your academic presentation and active listening skills
- Study the major themes of American identity

Learn more at summer.yale.edu/postgrad

BUSINESS SEMINAR

The Business Seminar is a **5-week program** designed to prepare you for professional life or graduate business study. This program will help you **compete in the world of business** with English proficiency.

In the Business Seminar, you will:

- Develop the communication skills you need to be competitive in global business
- Make international connections
- Gain cross-cultural understanding
- Experience business case study analysis
- Be introduced to the content and workload of an American MBA program

You will join **students** preparing for an MBA program at Yale or other universities, working business **professionals** and entrepreneurs, and those who are seeking promotion in their current position.

LAW SEMINAR

The Law Seminar is a **5-week intensive introduction to the American legal system** designed to prepare you to enter law school in the U.S.A. or work in the field of law in an international context. You will make **international connections**, learn about the American legal system and the legal English it requires.

- Improve your written communication skills while using legal contexts and vocabulary
- Study contemporary US legal principles and their historic origins
- Practice your formal oral presentation skills through debates and presentations
- Practice reading strategies and consider ethical dilemmas facing the legal profession

You will be taught by an **attorney and professor of law** in an authentic learning situation that mirrors a lecture class in a U.S. law school. Class content includes civil procedure, contracts, professional responsibility, constitutional law, criminal law, torts, and corporate law, among others.

WHAT WILL YOUR STORY BE?

"The biggest thing that I've learned at Yale Summer Session is how to express myself more easily. I feel more confident and comfortable speaking English. I'm less afraid!"

"The best thing about Yale Summer Session is the people. I've made two friends from India, four from China, two from Poland, two from Spain, three from Mexico, and two from England."
